1.) Workshops

The Art of Visiting- a 90-minute gathering of those interested in learning how to do more effective outreach.

It includes training on the metaphysics and ethics behind making home visits, a skit, and an interactive session to discuss how to put these ideas into practice. The workshop has also included at times a short session with one or more Journal-listed Christian Science nurses showing basic tips on helping someone get up from a chair, into a car, etc.

Speaker fee: \$350 plus travel expenses.

2.) Regional Coordinators Trained in Sun City, CA 92586

Training from the Caring FOA home office for those who want to learn how the Caring For One Another program is set up and how it can be adapted to their area. The 14 hours of training includes the metaphysical basis of the caring program, the ethics, the principles of making volunteer home visits, interaction with church care committees, and access to useful forms and materials to establish a solid program.

Meals and lodging are not included; however, Caring FOA can help with making arrangements, if needed.

Fee for the 14 hour Training: \$350.

3.) Regional Coordinators Trained in Other Locations:

The same training done in another location.

Fee for Training Off-Site: \$750 plus travel expenses.
